Dear Mr Nakalevu

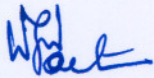

Re: PACIFIC ADAPTATION TO CLIMATE CHANGE FULL SIZED PROJECT

On behalf of the Government of Solomon Islands, and, in my capacity as GEF Operational Focal Point, the Government of Solomon Islands wishes to pledge USD 4.8 million as co-financing support for the PACC project. The development activities in the food production and food security sector the government will use as parallel co-financing to build resilience to climate change under the PACC are as follows:

Current Programmes	Amount (SBD)
Ministry of Agriculture budget on food production and food security	18,500,000.00
FAO Regional Food Security	1,909,909.00
Agriculture Rural Development Program	15,900,359.00
Total	36,310,268.00

We look forward to the GEF's approval of this most important project to support our climate change adaptation effort at the national and community level.

Sincerely,

Jane Wa'etara
