

A team of two people go house to house asking questions from the pre-developed form. Interview can be conducted in a local language and translated in English for recording.

<b>Name of interviewer:</b>	<b>Language of interview:</b>
<b>Name of island/municipality:</b>	<b>Time of interview:</b>
<b>Date:</b>	

### PERSONAL QUESTIONS

Q1	What is your full name?					
Q2	How many people are there in your household? <b>(Interviewers to explain that household includes immediate family members and/or individuals living with you most days of a week.)</b>	Total	Male	Female		
Q3	How many children (aged 0-13) do you have and are living with you?					
Q4	<b>GENDER</b>	female	male			
Q5	<b>AGE</b>	15-19 years	20-24 years	25-30 years	31-35 years	Over 35 years
Q6	<b>EDUCATION COMPLETED</b>	finished elementary school	in high school	finished high school	in college	finished college
Q7	<b>MARITAL STATUS</b>	single	married	partner, but not married	widowed	separated/divorced
Q8	<b>MAIN WATER SOURCE</b>	WELL own/ shared open/ closed	RAIN TANK own/ shared	Bottled water from stores	Direct connection to water line	
Q9	<b>TIME</b> it takes to reach water source	Located at the house	Less than 5 min.	5-30 min.	More than 30 min.	Don't know
Q10	Is there any person living with a disability in your home?			YES (Male/Female)		NO
Q11	What role do you have in your community? <b>MARK ALL THAT APPLY</b>					
	Leader <input type="checkbox"/> traditional leader <input type="checkbox"/> elected official	School <input type="checkbox"/> parent <input type="checkbox"/> teacher <input type="checkbox"/> student <input type="checkbox"/> school board <input type="checkbox"/> other: _____	Institutions <input type="checkbox"/> public <input type="checkbox"/> private <input type="checkbox"/> church <input type="checkbox"/> retiree	Organizations <input type="checkbox"/> men <input type="checkbox"/> women <input type="checkbox"/> youth <input type="checkbox"/> other: _____	General Public <input type="checkbox"/> fishers <input type="checkbox"/> gardeners <input type="checkbox"/> homemakers <input type="checkbox"/> elders <input type="checkbox"/> landowners <input type="checkbox"/> disabled <input type="checkbox"/> other: _____	Other: specify _____
Q12	How important is water to you?			Not important	Somewhat Important	Very Important

### SECTION 1- KNOWLEDGE: WATER, MAINTENANCE & CLIMATE CHANGE

Q13	Do you have access to enough water to meet your household needs? (Please check below)
-----	---

		Most of the time	Sometimes	Rarely	Never	I do not know		
	Drinking	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
	Other uses	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
Q14	In your experience, which events can create problems with accessing drinking water? Please check below.							
	<b>Event</b>	<b>Rank challenges to accessing drinking water</b>						
		Low	Medium	High				
	Low rainfall periods	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>				
	Heavy rainfall periods	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>				
	Storm surge/ typhoons	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>				
	High tides	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>				
Other: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>					
Q15	On average, approximately how many gallon of water does your household collect daily?							
	Less than 5 gallons	5-10 gallons	10- 15 gallons	More than 15 gallons	Don't know			
Q16	What do you mostly use water for? <b>MARK TOP TWO (2)</b>							
	Drinking	Cooking	Washing clothes	Showering	Livestock	Other: _____		
Q17	Which of the following practices is a good water management method? <b>MARK ALL THAT APPLY</b>							
	Checking regularly tanks and pipes for leaks	Use running water when washing hands	Leave home when water supply gets low	Reduce showering time	Use basins when washing plates and clothes			
Q18	Have you heard of "climate change"?				YES	NO		
	<b>If NO, move to Q22</b>							
Q19	Where did you first hear about climate change? Please check below.							
	newspaper	radio	at school	community meeting	church	friends/family	brochure	internet
Q20	In your opinion, is the climate changing?				YES	NO	Don't know	
	<b>If yes, what do you think are causing these changes? MARK ALL THAT APPLY</b>							
	Burning fossil fuels such as coal, oil, etc.	Burning garbage	Clearing land/killing trees (deforestation)	Sea level rise	Other: _____			
Q21	What are some changes relating to climate have you noticed within your community? Please check below.							
	Plants and vegetation	Weather patterns	Sea level	Shoreline/ beach	Storm surges	Other: _____		
Q22	How would you know if your water was unsafe to drink? Please check below.							
	Muddy	Bad taste	Visible particles	From uncovered/ open source	Smells funny	other: specify _____		

Q23	Is your water safe for drinking and cooking?	YES	NO	DON'T KNOW
Q24	Do you know if your rainwater tank has ever been tested?	YES By who? _____ When? _____	NO	Don't Know
	<b>If YES, what is the quality of your water?</b>	GOOD	BAD	Don't know
Q25	Do you think boiling your water makes it safe to consume?	YES	NO	Don't know
Q26	How long do you think you need to boil water to make it safe for drinking?	Bring to boil	Boil for 3 minutes	Boil for over 5 minutes

### SECTION 2- ATTITUDES: WATER, MAINTENANCE & CLIMATE CHANGE

Q27	Climate change will cause more contamination of water.	Agree	Disagree	Don't know
Q28	Climate change will cause more water-related health problems in children 0-13 years of age.	Agree	Disagree	Don't know
Q29	Climate change will cause the sea level to rise and get into the ground water.	Agree	Disagree	Don't know
Q30	Climate change will cause more dengue/chikungunia or similar outbreaks in Fais.	Agree	Disagree	Don't know
Q31	Drinking untreated water causes health problems like diarrhea in children.	Agree	Disagree	Don't know
Q32	Climate change is a big concern for me.	Agree	Disagree	Don't know
Q33	Rainwater is safer for children to drink and does not need to be boiled before drinking.	Agree	Disagree	Don't know
Q34	Boiling ALL water, no matter the water source, before drinking is always a good idea.	Agree	Disagree	Don't know
Q35	Storing boiled drinking water separately in clean containers with lids is a good practice to follow.	Agree	Disagree	Don't know
Q36	It is important to check tanks and draw-off pipes regularly for leaks.	Agree	Disagree	Don't know
Q37	Cleaning gutters, tank screens, and rooftops can reduce water contamination.	Agree	Disagree	Don't know

### SECTION 3- PRACTICES

Q38	Do you collect water for your household?	Never	Sometimes	Always	
	<b>If never, skip to Q40</b>				
	If you do collect water, how much time do you spend collecting water during dry periods?	Less than 30 minutes	More than 30 minutes	1 hour or more	Don't know

	When compared to other parts of the year, how would you describe length of time required for water collection during dry periods?	No difference	More time	Less time	Don't know		
Q39	On average, how many gallon of water does your family use per day?						
	Less than 10 gallons	10-15 gallons	More than 15 gallons		Don't know		
Q40	Do you treat (any method) the water your family uses for drinking? <b>If no, skip to Q44</b>	YES	NO	Don't know			
Q41	What <b>METHOD</b> do you use most of the time to make water safe for drinking?						
	boil on open fire	boil using stove	add bleach (chlorination)	other: specify _____			
Q42	What do you use the treated water for? <b>MARK ALL THAT APPLY</b>						
	drinking	cooking	washing food	washing hands	bathing	washing plates	other: specify _____
Q43	Who drinks treated water? <b>MARK ALL THAT APPLY</b>						
	everyone	elders only	children only	sick people only	other: specify _____		
Q44	How often does your rainwater catchment system get cleaned?	never	sometimes	Regularly	Don't know		
Q45	Do you often inspect your tank and draw-off pipes for leaks?	YES			NO		
Q46	What action do you take when you find leaks? Please check below.						
	Nothing	Fix immediately	Ask for help	Other: _____			
Q47	Do you cover your tank to prevent contaminants from entering and mosquito from breeding?	YES	NO	Don't know			

#### SECTION 4: MEDIA PREFERENCES

**In the last 6 months, have you**

Q48	... heard any messages about conserving water, climate change, and related health issues?	YES	NO				
		If yes, from who? _____					
Q49	How do you prefer to receive information on water security, climate change, and related health issues? <b>PICK ONLY THREE</b>						
	brochure	games and competition	community events	community meetings	home visits	radio spots	other: _____
Q50	What language do you prefer educational materials and awareness talks to be in? Please check below.						
	English only	Ulithian only	Both English and Ulithian	Other: _____
